

Haas Physical Therapy is looking to expand our team!

Haas Physical Therapy is an established private practice with 2 locations, Emerald Park, SK and Regina, SK. The Emerald Park clinic is situated in the beautiful town of Emerald Park, just 8 min. east of Regina; located at 336 Great Plains Road. The clinic currently has 3 full-time practicing therapists, with a orthotist visiting 2x/ month. Our Regina location is situated just off Rochdale Blvd and currently has 1 full-time practicing therapist.

We are currently looking to add other health care professions to our team; moving towards a multidisciplinary clinic. Our current clientele includes private paying, primary WCB, and primary SGI cases. Our clinics also offer direct billing for most private insurers. We are looking for an energetic, motivated professional whom is committed to providing evidence based care and strives to provide an all-encompassing, systematic approach to treatment. Quality care, patient education, and client-centered care is essential to our clinics.

We believe adding a Nurse Practitioner will bring additional value to our team and clients, by incorporating their unique, evidence-based skill set.

All applicants will be considered.

What we Offer :

- Flexible work schedule
- Commission based with the option to be sub-contractor or employee (your preference!)
- Private Treatment rooms
- EMR with online booking
- Professional reception to welcome clients and assist with all admin. tasks
- Marketing within the area

Our ideal candidate :

- Licensed to practice in Saskatchewan; Master of Nursing Nurse Practitioner Program, Registered or eligible for registration with the College of Registered Nurses of Saskatchewan (CRNS) as an NP.
- Passionate about growing and learning
- Team player dedicated to working with the multi-disciplinary team
