

**You are cordially invited to attend the following presentation:**

**“Rethinking Agitation in Alzheimer’s Dementia:  
A Discussion about Progress and Evolution in the Field”**

**Presentation by:**

**Dr. Zahinoor Ismail MD FRCPC**

Clinician Scientist and Professor of Psychiatry, Neurology, Epidemiology & Pathology at the Hotchkiss Brain Institute & O'Brien Institute for Public Health, University of Calgary

Certification in Behavioural Neurology & Neuropsychiatry, and Geriatric Psychiatry

Over 20 years of clinical experience seeing patients across the psychiatric spectrum and across the age range.

**Objectives:**

1. Review the concept of agitation including the IPA agitation criteria.
2. Discuss challenges in assessing and measuring agitation.
3. Identify the gaps and challenges in current treatment approaches for agitation in Alzheimer’s Dementia.
4. Explore newer approaches and newer medications.
